

REMARKS

The present amendment is submitted herewith to correct a minor typographical error in claim 3. More specifically, the expression of “G1 > H1” is a typographical error and is amended to recite “G1 > H2.” This error was a clear typographical error because before this expression was recited in claim 3, only H2 was defined (*i.e.*, “the electric power consumption H2”) where H1 was not defined. While Applicants inadvertently included this typographical error in claim 3, the Examiner failed to identify this clear typographical error prior to the Notice of Allowance. Therefore, the Examiner is respectfully requested to enter this amendment in order to correct this minor typographical error. Further, the amendment does not add new matter nor raise any new issues. Accordingly, entry thereof is requested.

If necessary, the Director is hereby authorized in this, concurrent, and future replies to charge any fees required during the pendency of the above-identified application or credit any overpayment to Deposit Account No. 02-2448.
